

## Graco: Success in Manufacturing

- 26% Reduction in Finished Goods Inventories.
- 100% complete order to customer date fill rate at 98%.
- Profit Optimized S&OP globally for 6 factories and 9 DCs in 4 countries.
- Provides near real time visibility across the entire enterprise.

---

*“Not only have we reduced inventories and operating costs with GAINS, but it has provided us with a fundamental S&OP support solution across the enterprise. The S&OP tools that bolted on to our ERP systems provided data, but GAINS provides accurate and profit optimal analysis. That is critical for both short and long term strategic and executive decision making.”*

*– Vice President, Operations*
